Orfield Design & Construction, Inc. Wins Remodeling Award

June 2010 (St. Louis Park, MN) - Continuing to set new standards of professionalism, 81 remodeling companies from across the United States were honored at the fifteenth annual Chrysalis Awards for Remodeling Excellence on June 11th at the Cobb Galleria Centre in Atlanta, Georgia during the Southern Building Show.

Judged by editors and writers of *Better Homes & Gardens*, *Woman's Day*, *Southern Living* and *Houseplans.com*, the winners were selected from over 526 entries. **The entries were judged on overall design, the creative use of space and materials, and the degree to which the project enhanced the original structure.**

The award entries were divided into the following 4 regional categories; Midwest (12 States), Northeast (11 States), West (13 States), and South (14 States). Orfield Design & Construction, Inc. was one of 21 winning companies in the Midwest Region with competition in 12 states and 114 projects entered.

The winning project was entered into the Category of "Bath Remodel under \$40,000."

Orfield implemented the design plans and remodel within the 1928 Archer Daniels Midland Grain Silos, Layhart Elevator, Cereal Grading Company Elevator L. which was converted to residential housing condominiums in 1983. The extent of the remodel was restricted by the Condo management's rules, which prohibited us from moving any toilets, tubs, or showers from their existing locations.

"To win an award in this highly competitive category is quite an achievement, which demonstrates their ongoing commitment to excellence." says Ken Kanline, Director of the Awards.

The Chrysalis Awards program, begun in 1994, recognizes the nation's best work in seventeen general categories of residential remodeling, as well as regional and national Remodeler of the Year winners. Pictures of the 2008 award-winning projects can be seen on the internet at www.chrysalisawards.com beginning in late June. For more information about the Chrysalis Awards, contact Ken Kanline at 800-854-7736.

Orfield Design & Construction, Inc. is also a recipient of the following Awards:
